ARIEL MULLER DESIGNS INC.

Recognized as a distinguished and versatile design firm, Ariel Muller Designs Inc. specializes in exceeding expectations. Designing exclusive interiors and custom furniture in Canada and internationally for over 20 years has enabled us to produce bespoke designs for discerning clients. As an innovative design firm, we offer an extensive portfolio that conveys elite sophistication with an understated elegance. Passionately integrating design and technology Ariel Muller Designs Inc. transforms spaces with artistry, personal attention, clear communication and meticulous care.

A great room's warmth defies its impressive scale. Soaring ceilings and expansive views mesh with welcoming seating areas and rich wood tones for the ultimate log home experience combining comfort and luxury.

“Designing distinctive, well-crafted interiors has been my lifelong passion. Light, texture, pattern, colour and the manipulation of space and form are essential elements, which when artfully balanced, blend both beauty and function in visual harmony. My heartfelt mission is to ultimately fulfill and inspire every client.”

— Ariel Muller

With a respectful approach to fulfilling our clients wishes, we offer a design sensibility that extends to all aspects of the project. The goal of Ariel Muller Designs Inc. is to create functional, innovative designs which truly inspire. Recognizing our clientele define themselves by the passions they pursue and the quality with which they surround themselves, our team of talented designers are committed to design excellence. Considered to be one of Toronto's finest upscale interior design boutiques, clients are offered the opportunity to express their unique style while intelligently satisfying their desire for the very best.

TOP

Surrounded by hand-chiseled stone walls, the infinity tub's continuously cascading water cultivates an air of tranquility in the master ensuite retreat.

BOTTOM

A timeless elegance is created with a palette of soft creams accented by soothing blue tones. The heated natural stone floor and custom traditional cabinetry achieve a warm luxurious ambience.
